

Practice Nurses

UFS Medical is seeking experienced Practice Nurses to join their team. This is a unique opportunity to join an innovative organisation renowned as an employer of first choice.

Practice Nurses (Full-time, Part-time & Casual)

Registered Division 1 Practice Nurses with extensive experience in primary healthcare. Clinical duties will include triage, immunisations, collection of pathology samples, wound management, ECG, chronic disease management, aged care assessment, health screening, assisting doctors with clinical procedures and maintaining clinical documentation. Candidates with additional qualifications including women's health and immunisation would be highly regarded.

Successful candidates will have a demonstrated understanding of the needs of general practice including ensuring compliance with all statutory and regulatory obligations. Additional information including key selection criteria is contained in the position description. Please contact Tania Lund on 5327 7771 or recruitment@ufs.com.au for a position description.

Please forward your application including cover letter, responses to the selection criteria in the position description and resumé by **Friday 30 October**. Incomplete applications will not be considered.
